Trial Services are only made available based on a Subscription Term that applies to a requesting organization, and are not available through multiple Subscription Terms for individuals who are members of the same organization.

2.2 Terms and Conditions. Even though certain terms and conditions of this Agreement may refer only to Purchased Services, such provisions shall also apply to the greatest extent applicable to Your access and use of the Trial Services, unless they are in conflict with the provisions set out in this Section 2 (Trial Services) in which event this Section 2 shall prevail. Additional terms and conditions that also

may apply shall appear on the Trial Services page of Our web site, and shall be incorporated into this Agreement by reference.

2.3 Limited Functionality. Your Subscription for Trial Services may be limited in various ways as compared to the scope of available Purchased Services, such as no implementation or support assistance, limits on number of User Accounts, lesser or no security, and disabled or limited customization, functionality and features. Trial Services are for general information purposes, and should not to be relied on for Your operational purposes.

2.5 EXCLUSION OF TRIAL WARRANTIES: ALL TRIAL SERVICES ARE PROVIDED "AS-IS", WITHOUT ANY WARRANTIES, AND SOLELY AT YOUR OWN RISK.

3. PURCHASED SERVICES

3.1 Your Subscription. A description of the Jostle Services available for purchase is set out at Our web site. You may subscribe to the standard set of Jostle Services, or You may subscribe to an enhanced or customized level of Jostle Services that We may offer from time to time provided that We have the capability to supply them to You and You have the capability to implement them. We are committed to continually improving and enhancing the Jostle Services and may need to modify, add to or delete certain features and/or functionality of the Jostle Services. We will use reasonable efforts to give You advance notice of any changes that we believe may adversely impact You, but will try to ensure that the basic functionality and features of Your Purchased Services are not materially adversely affected. Your Subscription is not contingent on Our implementing any future functionality or features of Jostle Services, even if We have publically or privately discussed or announced the intent or likelihood of such functionality or features being implemented. We shall have no obligation under this Agreement to develop or implement any new functionality or feature requested or expected by You, unless We have expressly agreed to do so pursuant to a separate written agreement.

3.2 Purchased User Accounts. Purchased Services are limited to the number of User Accounts that You purchased as specified in Your Order Form. Additional User Accounts may be bought by You during the Subscription Term provided that the added Purchased User Accounts shall terminate on the same date as the pre-existing Purchased User Accounts. You may replace an individual who has a User Account with an individual who becomes the new subject of the User Account in substitution, provided the replaced individual's personal information is deleted from the Jostle Services.

3.3 Authorized Users. You shall manage and be responsible for ensuring the security, confidentiality and authorized use of Authorized User identifications and passwords. You shall at Our request provide to Us accurate, complete and updated information about the individuals You authorize to be

Authorized Users, and We shall have the right to determine or verify this information directly through Our systems. We reserve the right, based on Our reasonably held belief, to at any time deny registration of any individual as an Authorized User who does not qualify to be an Authorized User, and to revoke the registration of any individual who has continually or on multiple occasions failed to comply with the Terms of Use either as Your Authorized User or as an Authorized User of any other organization. You may not allow any person to share or use an Authorized User's Purchased User Account to access or use Jostle Services, except for the Authorized User that is the subject of the User Account.

3.4 Availability of Purchased Services. We shall use commercially reasonable efforts to make the Purchased Services available 24 hours a day, 7 days a week during the Subscription Term, except for planned downtime of which We shall give You reasonable prior notice of or otherwise publish in the Jostle Forum. Purchased Services are subject to unavailability caused by circumstances beyond Our reasonable control, including without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor problems, or power, communication or Internet service provider failures or delays. We have the right to immediately suspend access to the Purchased Services, in whole or in part, and by individual Authorized User as applicable, if We determine in Our reasonably held belief that the manner of use of the Purchased Services by You or the Authorized Users, or the Enterprise Data, do not meet the requirements of or do not otherwise comply with this Agreement.

We have no obligation to monitor, examine or evaluate the content, accuracy, completeness, timeliness, validity, copyright compliance, legality or any other aspect of the Enterprise Data, or to screen any of the Enterprise Data. We shall have the right to use anonymized data and statistics extracted from access and use by You and the Authorized Users of the Purchased Services, in any way necessary to enhance Jostle Services for the benefit of all subscribers.

4.7 Usage Limitations. Purchased Services may be subject to usage limitations, such as limits on data storage space, on the number of calls You are permitted to make for support, and on the number of page views by visitors to web site pages created by the Purchased Services. Most of such limitations are specified in Our web site, and We may advise You from time to time of changes or additions to such limitations.

If You install or enable Third-Party Applications to inter-operate with or be used in conjunction with Jostle Services, We may allow providers of such Third-Party Applications to access the Enterprise Data as required for the inter-operation or use of such Third-Party Applications with the Jostle Services. We shall not be responsible for any disclosure, modification or deletion of the Enterprise Data resulting from any such access by Third-Party Application providers.

5.3 Google. Certain Jostle Services features inter-operate with services provided by Google and/or other third parties, and depend on the continuing availability of the API and program from Google and/or such third parties for use with the Jostle Services. If Google and/or such third parties cease to make their API or program available on reasonable terms for the Jostle Services, We may cease providing such Jostle Service features without entitling You to any refund, credit, or other compensation.

6. FEES AND PAYMENT

6.1 Subscriber Fees. In order to access and continue receiving the Purchased Services, You must pay all fees specified in the Order Confirmation when due from time to time. Fees are calculated and payable based on the number of Purchased User Accounts and the level of Jostle Services You purchased, and not on Your actual usage. Fees paid are non-refundable even if You cease usage of the Purchased Services during the Subscription Term. The number of Purchased User Accounts cannot be decreased during the Subscription Term. Fees for additional Purchased User Accounts added during a Subscription Term will be charged from the beginning of the month in which they were added and for the months remaining in the Subscription Term.

If the Order Confirmation specifies that payment will be by a method other than a credit card, We will invoice You in advance or otherwise in accordance with the relevant Order Confirmation. Unless otherwise stated in the Order Confirmation, invoiced charges are due 30 days from the invoice date. You are responsible for Providing Us with complete and up to date billing and contact information.

6.3 Overdue Charges. If any charges are not received from You by the due date, then at Our discretion such charges may accrue late interest at the rate of 1.5% of the outstanding balance per month (18% per annum), or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

6.4 Suspension of Services. If any amount owing by You under this agreement becomes overdue, We may, without limiting Our other rights and remedies, suspend access to the Purchased Services until such amounts are paid in full.

6.5 Payment Disputes. We shall not exercise Our rights under Section 6.3 (Overdue Charges) or Section 6.4 (Suspension of Service) if the applicable charges are under reasonable and good-faith dispute and You are cooperating diligently to resolve the dispute.

6.6 Taxes. Our fees do not include any Taxes, and You are responsible for paying all Taxes associated with Your Purchased Services. If We have the legal obligation to pay or collect Taxes for which You are responsible, the applicable amount shall be invoiced to and paid by You, unless You provide Us with a valid tax exemption certificate authorized by the appropriate taxing authority.
